

Little Chestnuts Preschool

Weekly News

October 7th 2022

What have we been up to this week?

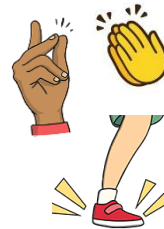

Preschool were delighted to share the story of 'Whatever Next' together this week. It inspired us to transform an ordinary box into our very own space rocket! In the playdough we have been using our imagination to create different food - sausages and peas have been a favourite! We have also been busy painting tall and short tubes in different colours. We have had lots of fun hiding conkers in the sand, inviting different characters and animals to tea in the dolls house as well as finding out all about the number 2.

Welly Wednesday

We had a lovely time outside this week; finding puddles to jump in, as well as mixing mud to paint with. Preschool were delighted to discover 2 wiggly worms who felt very tickly on our hands!

Super Sounds

It has been very exciting to make different sounds this week...we have stamped, tiptoed, clicked, tapped, using great big voices and small quiet whispers!

Songs and Rhymes

We have been enjoying singing '5 little men in a flying saucer' together; there is a lovely version on the BBC website. There has been lots of lovely counting and we have enjoyed chatting about how the number of spacemen changes.

Wow Moments

We had our first 'Stay & Play' session this week. Preschool thoroughly enjoyed themselves and were brilliant at helping to tidy up afterwards - Well done Little Chestnuts!
