

# Little Chestnuts Preschool

## Weekly News

September 9<sup>th</sup> 2022

### What have we been up to this week?

We have had a lovely first week together in Little Chestnuts. It was very exciting to spot how Preschool has changed over the summer! Preschool have really enjoyed exploring and discovering in and around our indoor and outdoor environment ... using the sand to fill and empty different sized containers, singing, dressing up, painting, playing with the doll's house as well as pretending to make a cup of tea in our role play house! We have really enjoyed sharing the story 'Goldilocks' together; there was lots of lovely chatting about the different sizes of the 3 Bears.

### Welly Wednesday

We had a lovely morning outside together on Wednesday morning exploring the outdoors. We had great fun playing hide and seek, taking turns to count on our fingers up to 5 before finding where someone was hiding!

### Super Sounds

We have really enjoyed listening to different animal noises this week. It was great fun identifying which animal was making the noise!

### Songs and Rhymes

Preschool have loved singing '1,2,3,4,5 Once I caught a fish alive' together this week. There is a super version, which also features a crab and an eel in the rhyme, on the BBC website which you may enjoy sharing together at home.

### Wow Moments

Preschool have had a fabulous first week back in Little Chestnuts - well done!

If your child has done anything that you are especially proud of, it would be lovely if you could write it on a star and we will share it together in preschool.
