## Weekly News

September 29<sup>th</sup> 2022

### What have we been up to this week?

We have enjoyed joining in with the story 'We are going on a Bear Hunt' this week. It was very exciting to spot a 'bear' hiding in different places; sometimes **on**, sometimes **under**, **behind**, and **in front** of different things! As well as running and jumping, Preschool have been trying really hard to balance on some stilts outside.

We have also been finding out about the number 1 and remembering to start at the top when we write 1. As we have been playing and learning together there have been lots of super chatting and observing about which toys are the same and which toys are different.

### Welly Wednesday

It was very exciting to run and try and catch each other this week. There was a lot of giggling! We also were busy spotting lots of different coloured leaves as well as collecting lots of lovely, round, shiny conkers ... signs that Autumn is on its way!

### Super Sounds

It has been great fun playing musical statues together. Preschool had to listen really carefully to know that when there were no sounds, that they needed to be very still!

### Songs and Rhymes

We have really enjoyed singing 5 little ducks together this week. A lovely version can be found on the BBC website. We have been using actions to accompany the words; it was very exciting to discover 5 plastic ducks floating in the water to play with!

### Wow Moments

Preschool have been really helpful this week. It is lovely to see Madison and Alfie helping each other with their painting aprons and coats. Thank you Madison for sharing your Wow star; we are very proud of you helping to tidy up at home.
