

Little Chestnuts Preschool

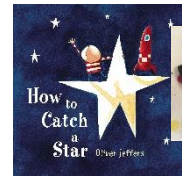

Weekly News

November 25th 2022

What have we been up to this week?

Preschool have noticed that when our lights are turned off it has felt very gloomy, so we decided to share a story about a star together this week called 'How to catch a Star'. It inspired some super star shape printing as well as some lovely chatting about the colours 'gold' and 'silver'. We have also really enjoyed looking closely at a beautiful picture about a starry night. In our outdoor area we have very kindly been donated a wooden kitchen which has led to some super imaginative play. Preschool have really enjoyed pretending to be different characters as well as sharing and taking turns with each other in their small world and construction play.

Welly Wednesday

It has been very rainy this week! We thought it would be rather exciting to explore all the puddles outside (with our wellies and waterproofs on!) We had great fun jumping, skipping, and running through the puddles and discovered that some were 'shallow' whilst others were 'deep'!

Super Sounds

It is so exciting to see Preschool spotting and chatting about different letter sounds that they can hear and see ... Well done Little Chestnuts!

Songs and Rhymes

We have had lots of chatting about stars this week and have thoroughly enjoyed singing 'Twinkle, twinkle little star' together. A lovely, gently version from *Super Simple Songs* can be found online.

Wow Moments

As we are beginning to think about taking part in our Christmas Show with Willow Class, Preschool are doing some lovely listening to the songs and music in preparation. Well done!
