

Little Chestnuts Preschool

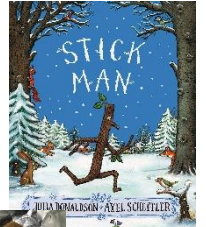

Weekly News

December 2nd 2022

What have we been up to this week?

We began this week by sharing the story of Stickman together. It was very exciting to see Santa coming down the chimney and lovely to chat about the different animals that we spotted in the illustrations; Preschool were thrilled to then spot a real squirrel outside! We were delighted to join Willow and Oak Class, in a special assembly about light, in the hall on Tuesday. It inspired us to use some clay to make a special pot to hold our tealight in, which Preschool are very proud of. We have also been busy sprinkling glitter to create some sparkly angels ready for our Christmas Show, shaping our twinkly, green playdough into Christmas tree shapes, moving the chairs to create a pretend car as well as playing games together.

Welly Wednesday

It is lovely to see Preschool showing such great independence putting on their coats and waterproof trousers to get ready. We have had lots of fun sprinkling leaves, stirring and pouring to create pretend soup and hot drinks in our mud kitchen this week.

Super Sounds

We have been listening carefully, copying and joining in with different instrument patterns. It is lovely to see and hear Preschool using lots of lovely language to chat about the sounds all around them.

Songs and Rhymes

We revisited our 'Twinkle, Twinkle Little Star' rhyme together this week as we decided it sounded like a gentle lullaby... it was lovely to hear Alfie and Madison singing it to the dolls in their role play.

Wow Moments

Well done Little Chestnuts, you were very kind and polite when you helped to give all our 'Stay and Play' friends a special Christmas gift on Wednesday.
