### The Wonderdome

On Wednesday this week, the Wonderdome filled the entire hall for a morning of space facts and entertainment. Ten of our Stay & Play families were the first to enjoy the experience before Oak Class had their moment of enlightenment. Willow Class were the last, the squeals of awe & excitement could be heard throughout the school. Hopefully this is the first of many new experiences for our children.

On Tuesday 10<sup>th</sup> January, Oak Class had the opportunity to visit Worcester Central Mosque. They had a tour given by the Imam, learnt about how Muslims worship in a mosque and had the chance to ask their own questions about Islam. The children's behaviour was impeccable and Imam was impressed with their knowledge of Islam.

### Whole school attendance

92.42%

**Fact: Children who have persistently poor attendance can suffer more commonly from friendship issues and find it harder to build lasting relationships**

Swimming lessons are due to start on Wednesday 18<sup>th</sup> January for our Oak Class children at Evesham Leisure. Children should come to school in school uniform and bring a bag with a named costume or shorts and a named towel. If you require your child/ren to wear goggles please let us know in writing if you haven't done so already.

Class Letters for both Willow & Oak Class have been posted on the school website so parents and carers can read all about the children's learning for this term.

#### Big Breakfast

The PTA will be holding the next Big Breakfast on Friday 27<sup>th</sup> January from 8am until Achievement Assembly in the school hall. Letters will be sent home with menu choices next week.
