

Little Chestnuts Preschool

Weekly News

March 3rd 2023

What have we been up to this week?

It has been lovely to welcome Preschool back after the half term holiday. We have thoroughly enjoyed sharing the story of 'Jack and the Beanstalk' together and decided to change our role play area into Jack's House, complete with its own tall green beanstalk that we painted together. Using some scissors to help develop our fine motor control, we enjoyed snipping and cutting different beans; it was very exciting to discover some tiny green beans hiding inside the runner beans! We also invited our Reception friends to join us in Preschool this week to share a special book about a duck and a frog with us as part of a Book Trust Storytime initiative organised with Evesham Library.

Welly Wednesday

We have enjoyed spotting daffodils and snowdrops growing outside this week. It was very interesting to look carefully at the white roots and brown bulb before we potted up a daffodil to take home on St David's Day.

Super Sounds

We have enjoyed making loud and quiet sounds this week as well as thinking about the initial sound **m** this week.

Songs and Rhymes

We have enjoyed singing Baa, Baa, Black Sheep together this week. It was rather exciting to experiment with changing some of the words; we tried different colours including a 'beautiful pink sheep' as well as delivering to different children who lived down the lane!

★ Wow Moments ★

Well done Little Chestnuts for your fabulous choice of 'wow words' (rainbow, fluffy and stripy) on World Book Day ... you were all so confident sharing your choice of clothing with the whole school yesterday.
