Whole School Attendance

90.79%

Best year group: Year 3 with 96.44%

Best house: Dene with 92.03%

Best Class: Willow with 92.9%

We now have 1 child left in school still with 100% attendance this year. Keep it going!

Did You Know.....? In a school year, if your child is late every day by 20 minutes, your child would have lost approximately 14.5 days from school or they would have missed approximately 82 lessons.

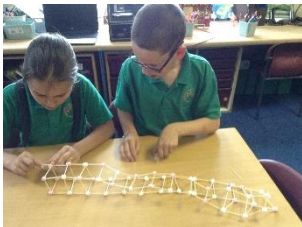

What have we been up to in school?

Last week Oak Class had a trip to the Heritage Trust in Cleeve Prior. They took part in a bug hunt in the woods and pond dipping. The children found toadlets, may fly larvae, dragonfly nymphs and pond skaters.

Moving Up Day

On Wednesday, the children in Oak Class were able to meet Mrs Millard, their new teacher in September. Mrs Millard spent the afternoon with the class trying to build the tallest tower made from marshmallows and cocktail sticks. The concentration on their faces was immense!! The children in Willow Class also met their new teacher, Mrs Norden and had a lovely day getting to know her.

This week, the KS2 children have been rehearsing for our school production "A Big Green Adventure". The children are doing incredibly well and had their first dress rehearsal on Thursday. The stage has been set up and the scenery is almost complete. Keep practising those lines Oak Class! Parents & carers will be sent more information nearer the time.

In Computing, the children in Willow Class have been learning about algorithms and how to debug an algorithm. They have learnt about this in a practical way by instructing each other through an obstacle course using precise algorithms.

In Art, Willow Class have completed their landscape paintings in the style of Van Gogh using oil paints. Haven't they done a fantastic job?
