

Cleeve Prior Primary School Newsletter

Head of School's welcome

This is our first go at an electronic newsletter. Hopefully, in time, we will perfect it! This is our new way to share the exciting things that are happening in our village school.

Mrs Laughlin

Achievement Assembly 28th September 2023

Our first Achievement Assembly was hosted by Mrs Millard and Mrs Norden.

Our Gold awards went to:-

Zach for always being kind and respectful to adults and children.

Tilly for showing all of our values and being a perfect role model.

Our Learning Behaviour Awards went to:-

James for his resilience and perseverance.

Joseph for always trying hard.

There were also Out of School prizes for:-

Tilly for swimming 5 metres.

Poppy for gymnastics Grade 4.

Bikeability and Balance Bikeability prizes were given out to all who took part.

Free Fun Fridays

Every Friday we have our Free Fun Friday if behaviour in school has been good.

The children are allowed to play with the equipment and ride-ons.

Thank you to all of the parents who allowed the children to bring their scooters in, it really made for a fun lunchtime.

If your child wishes to bring in a scooter they can do so next Friday.

TT Rockstars Friday 6th October

Thank you to all the children that dressed for our TT Rockstars day, they all looked great.

Your child should have come home with log ins for either TTRS in Key Stage 2 or Numbots in Key Stage 1.

Key Stage 1 have tried today and all enjoyed making their robots shinier.

If you have any questions about TTRS, please see Mrs Millard.
