## Envirosort

On Monday 9th October, Oak class went to Envirosort in Norton.

We found out all about what happens to our recycling and what we can and cant put into our recycling bins.

Jenny was really impressed with the way that our children behaved and with their knowledge of all things to do with the environment.

## Trim Trail

On Tuesday 17th October our Trim Trail was officially opened by the Trustees of the William Perkins Charity and our Chair of Governors, Stacey Smith.

They were very impressed with the set up and have recommended that we apply for other Grants in the future to fund exciting items for our children.

## Tissues

It is that time of year again when noses start running (not just the teachers!). We would be really grateful for any donations of boxes of tissues.

Please drop them into the school office, thank you.

## Our Restorative Behaviour System

We are sure that your children will have come home and told you about our new restorative behaviour system which comes from the Home School Agreements that we all signed at the start of the year.

Mrs Laughlin will be giving you more information in Achievement Assembly and the Tea and Chat next week.

If you are unable to make either of these, we will be publishing more details on Class Dojo on Friday.
