Our Early Help Offer 2023

At Cleeve Prior Primary School, we recognise the challenges that families face. There may be times when you need extra help and support. If this is the case, please come and talk to us.

If you feel you need immediate support at any time please contact Mrs S Laughlin, Head of School

head@cleeveprior.worcs.sch.uk
01789 772276

We recognise that there may be times when parents and carers need extra help and support. We endeavour to create a school ethos that promotes trust between parents/carers and school, as well as between all adults and children, so that everyone understands who they should talk to if they have any concerns or worries.

Our offer of Early Help is designed to support all of our children and families.

The school recognises that early identification of risk is key to safeguarding all children/young people and adults. Through the Graduated Pathway of Early Help and Support, we utilise a range of approaches and services, including our PSHE curriculum and outside agencies to provide bespoke support.

Early Help strategies in school include:

- A fully funded school counsellor to support families at times of need
- The provision of funded Breakfast Club and After Club School places if required
- Children are taught ways of keeping themselves safe with rigorous e-safety curriculum Project Evolve.
- Strong links with the Family Information Service

Providing early help to our pupils and families at Cleeve Prior Primary School means we are more effective in promoting support.

Key Personnel:

Mrs S Laughlin is our Special Educational Needs and Disabilities Coordinator. She is responsible for providing support for all SEND concerns. The first referral is usually through the SENDCo. She is also our Head of School, DSL, Lead for Wellbeing, Mental Health First Aid (MHFA). Mrs Laughlin will work with families who require support with emotional needs.

Mrs J Gwilliam is our Speech and Language lead

Early Help is a pathway to supporting you and your child as they grow up, when you or they may need further support or guidance.

Providing early help to our pupils and families at Cleeve Prior CE Primary School means we can improve outcomes for children, families and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may be not be eating healthy food
- Keeping to a healthy lifestyle
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse, adult mental health problems or have parents who argue a lot (and sometimes might hurt each other)
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families. Below you will find a list of support we can offer in our school:

Our early help offer would start with a conversation with your class teacher. It may be that we refer you to our SENDCo further conversations and then may involve our wellbeing lead or the Head of School. The initial conversation will inform us upon which is the best route for your family or child.

We offer:

Cleeve Prior Primary School Early Help Offer	
Special educational Needs and Disabilities Co-ordinator	Mrs S Laughlin is our SENDCo

Mrs S Laughlin	<p>Her role is to:</p> <ul style="list-style-type: none"> • Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEND, including those who have EHC plans • Provide professional guidance to colleagues and work with staff, parents, and other agencies to ensure that pupils with SEND receive appropriate support and high-quality teaching • Advise on the graduated approach to providing SEND support • Be the point of contact for external agencies, especially the local authority and its support services • Liaise with potential next providers of education to ensure pupils and their parents are informed about options and a smooth transition is planned • Ensure the school keeps the records of all pupils with SEND up to date <p>head@cleeveprior.worcs.sch.uk</p>
Wellbeing Lead Mrs S Laughlin	We aim to promote positive emotional health and wellbeing so pupils can better understand and express their feelings and to build their confidence and emotional resilience to increase their capacity to learn.
Play Therapist Pete English	Mr P English (MBACP) is our school family support therapist.
School Speech and Language	Mrs Gwilliam leads S & L works with children who require support for Speech and Language. We also offer speech therapy for children who are on the NHS caseload for Speech and Language therapy.

Behaviour Support	On the rare occasions that we need behaviour support Mrs Laughlin (and the children and parents) coordinate the school Behaviour Support. We work in collaboration with Perryfields Primary PRU to support and offer guidance on the provision for children with challenging behaviours . The school offers interventions and good practices for children with social and emotional and behaviours associated with these needs.
School Nurse	We work closely with our school nurse who is able to provide advice and guidance to parents on a variety of health and wellbeing issues. She visits school regularly to meet with the DSL and meets with parents, carers and children as and when required.
Attendance Officer Mrs Laughlin	Mrs Laughlin is responsible for attendance. She carefully monitors every child whose attendance is below 90% and support is offered to families wherever possible. Her includes letters of concern to alert parents to falling attendance, and formal attendance meetings if required. Our school also operates a first day calling system if a child's absence is unexplained.
PSHE Curriculum	Our school delivers comprehensive Personal, Social, Health Education (PSHE) through HeartSmart and My Happy Mind. We use the 2020 guidance for Relationships and Health Education (RHE) programmes. These further support the children's understanding of how to keep themselves safe. It also broadens their understanding of strategies to develop their resilience, their awareness of their mental health and understanding and forming healthy relationships.
Online safety	Each year group is taught how to use computers, iPads and the internet safely throughout the year, our computing curriculum NCCE Teach Computing and Project Evolve (E-safety). This supports both children and parents in developing a greater awareness of the dangers they face online each day, as well as offering strategies to keep themselves safe. Our online safety lead is Mrs Laughlin. We regularly provide information for parents on online safety. We have a filter system to prevent our children and adults accessing inappropriate sites whilst in school and use Smoothwall to monitor what is accessed online in school.

We also liaise with other agencies and people within the local community. In the table below are some national organisations that can support children, young people and their families:

The Family Front Door to Children's Services	If a member of staff, parent/carer or member of the public thinks a child or young person is at immediate risk of significant harm they should contact the Family Front Door (FFD) – 01905 822 666 or in an emergency always call 999
WSCB (Worcestershire Safeguarding Children Partnership) website.	Worcestershire Safeguarding Boards safeguardingworcestershire.org.uk Important information for parents and professionals across Worcestershire in relation to keeping children safe and avenues of support including early help options. Everyone should know how to access the website that has all of the agreed Worcestershire safeguarding and child protection processes on it.

NSPCC	NSPCC provides support and advice for families on how to keep children safe from abuse, bullying or neglect. They also have information on how to keep children safe online. NSPCC The UK children's charity NSPCC
Support in schools for Special Educational Needs and Disabilities	There are four core teams that form the SEND Support Service <ul style="list-style-type: none"> • The Educational Psychology Service (EPS): Delivers statutory and psychological services for children and young people aged 0 to 25, within a range of educational and community settings such as preschools, schools, colleges, children's homes and children's centres. • The Autism and Complex Communication Needs Team: Qualified specialist teachers and specialist practitioners with experience of supporting the needs of children and young people on the autism spectrum or who have complex communication needs from early years to higher education. The team also supports the Umbrella Pathway as part of the autism diagnostic process. • The Learning Support Team: Provides support to meet the needs and assess pupils with Specific Learning Difficulties (SPLD) and those struggling to engage or unmotivated to learn. The team is available to help schools and settings enhance their capacity to meet the needs of children and young people with a range of learning needs through specialist advice, interventions, assessment and training. The team also provides support for learners with English as an additional language. • The Sensory Team: Provide support for Multi-Sensory Impairments, Visual Impairments and Hearing Impairments for sensory impaired babies, children and young people (0 to 19 years) their families and carers. The team provides support that is offered from the point of diagnosis throughout the early years and at preschool level, through to further and higher education and where post school provision is made by Worcestershire Access and Inclusion Service.

<p>SENDIASS - Special Educational Needs and Disabilities Information, Advice and Support Service</p>	<p>SENDIASS is available to any parent and/or carer who has a child with a special educational need or disability. The service also supports children and young people with a special educational need or disability.</p> <p>What do they deliver? FIS are a useful source of information for parents and professionals. They support families, children and young people aged 0-19 years of age (25 for young people with additional needs) and professionals working with these families. They can help link parents up with other organisations that might be able to help or provide the information themselves.</p>

Reach 4 Wellbeing	<p>Emotional Wellbeing and Mental Health Services for Children and Young People.</p> <p>The Reach 4 Wellbeing team aims to promote positive wellbeing, reaching children and young people in their communities to reduce the stigma of mental health. They provide short-term group programmes for children and young people aged 5-18 experiencing mild to moderate anxiety and low mood, using cognitive behaviour therapy-based principles. Reach 4 Wellbeing is a self-referral service.</p> <p>Referrals to Reach4Wellbeing can be made by families or professionals by completing an online referral form available on the website: www.hacw.nhs.uk/reach4wellbeing</p>
E-safety (Online Safety)	<p>Online Activity (phones, computers) can be a serious risk to children: The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation – technology often provides the platform that facilitates harm. With the right support, education and safety measures in place the internet and new technologies can also bring great benefits but we must all be vigilant.
