19th April 2024

## Head of School's message...

I can't believe we are already in the Summer Term. We are gearing up for SATs, MTC and Phonics checks as well as KS2 performances, Sports Day and all of the other exciting events next half term.

All of our children have come back to school ready to learn and with really positive attitudes. It is really fantastic to see. Keep up the hard work everyone!

Best wishes

Mrs. Laughlin

Head of School

## Swimming

Oak Class will be recommencing swimming from Wednesday 24th April and it will continue every Wednesday through until the end of term. Please remember to pack their swimming kit and goggles.

*I am a Clever Writer.*

I AM A CLEVER WRITER

teaching teachers to teach writing

We are now using I am a clever writer to help improve the quality (and quantity) of our writing. We will be using a range of different texts to form the basis of our writing. We will be doing a star write at the end of each text and look forward to sharing some of these with you. Hopefully, you can enjoy some of our writing if you join our Achievement Assembly on Thursday 25th April.

## TTRS and Numbots

Congratulations to all of our TTRS and Numbots winners! Keep playing and learning everyone! Please continue to encourage your children with these programs so they can continue to improve their number skills.

## Oak Class Forest School

Oak Class has been making works of art this week in Forest School based on the seasons. Some of the groups even made their own frames which Elly described as the best ever!

## Ribbon dancing

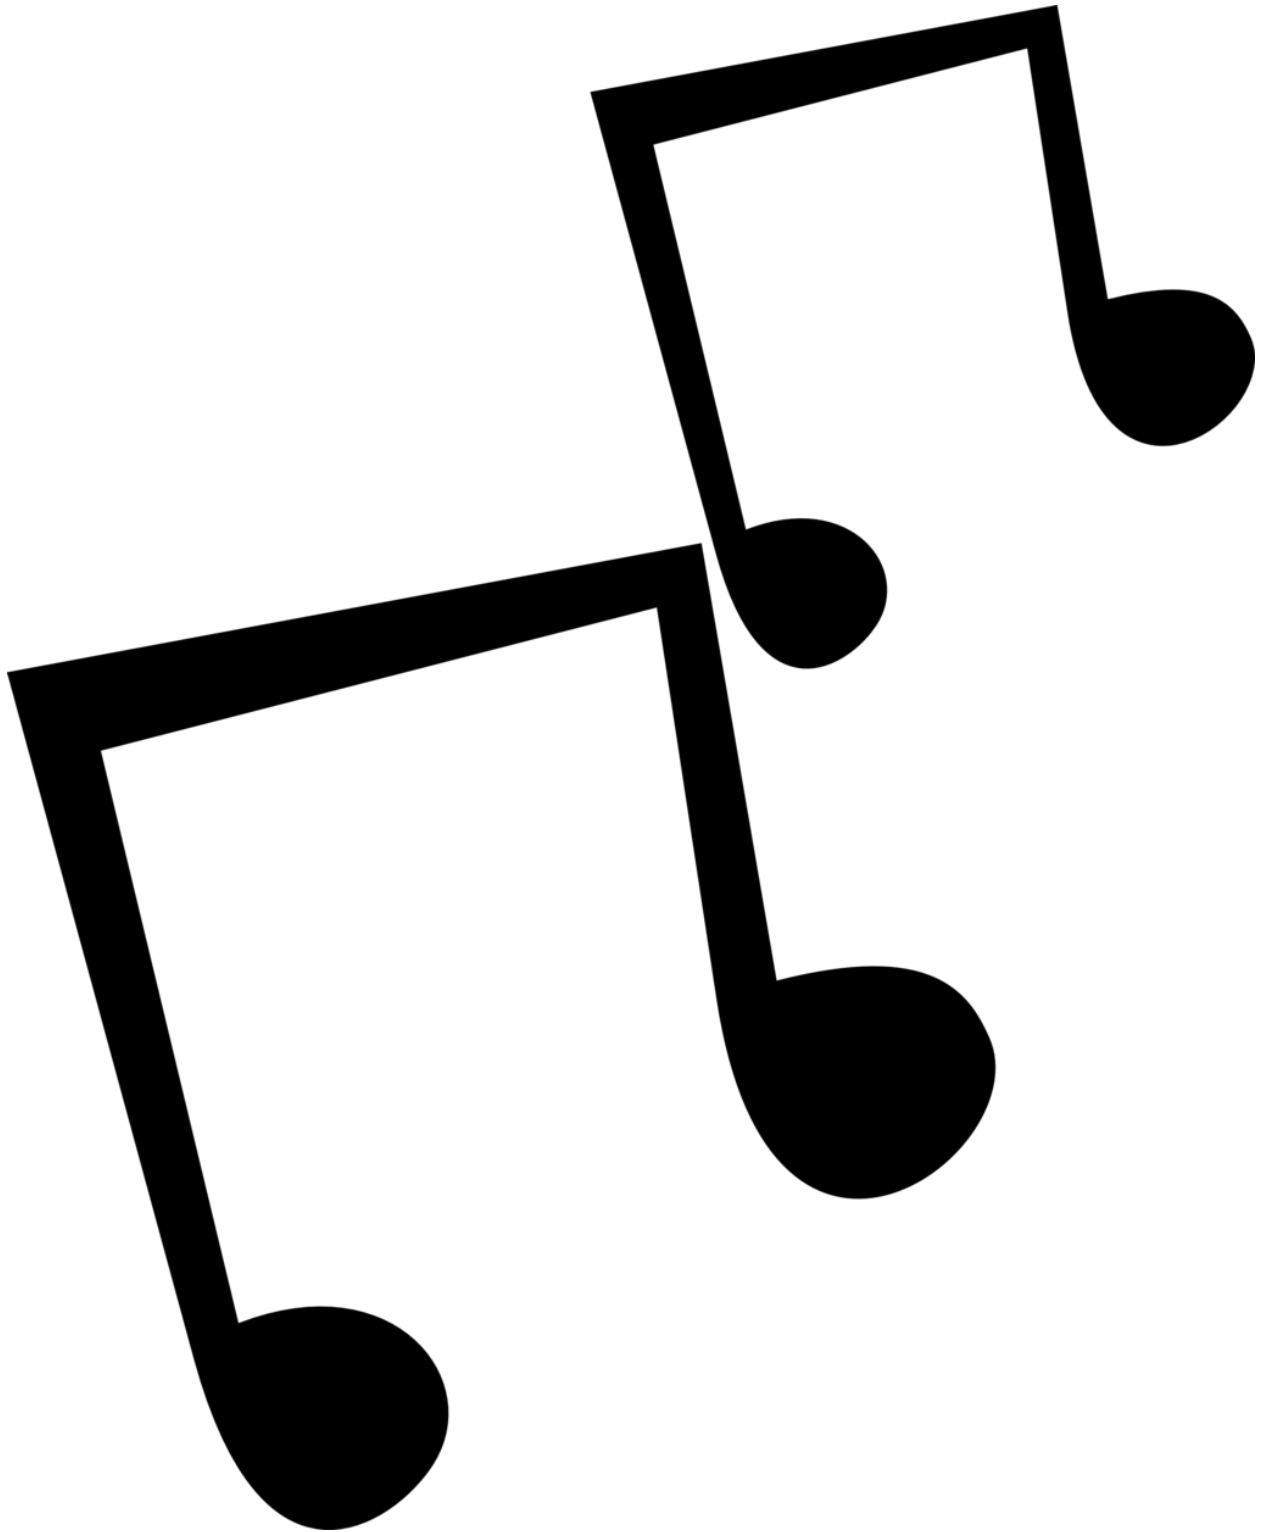

The children in Willow Class and pre-school are doing dance with Mrs Laughlin and Mrs Gwilliam on Friday mornings. They are learning to move with the ribbons and will create a dance that they will, hopefully be able to perform before Half-term.

Willow Class Music

Willow Class have been having weekly music lessons with Miss Reid from Severn Arts. They have been learning to play Djembe drums and this week were composing their own rhythms. It sounded very impressive!

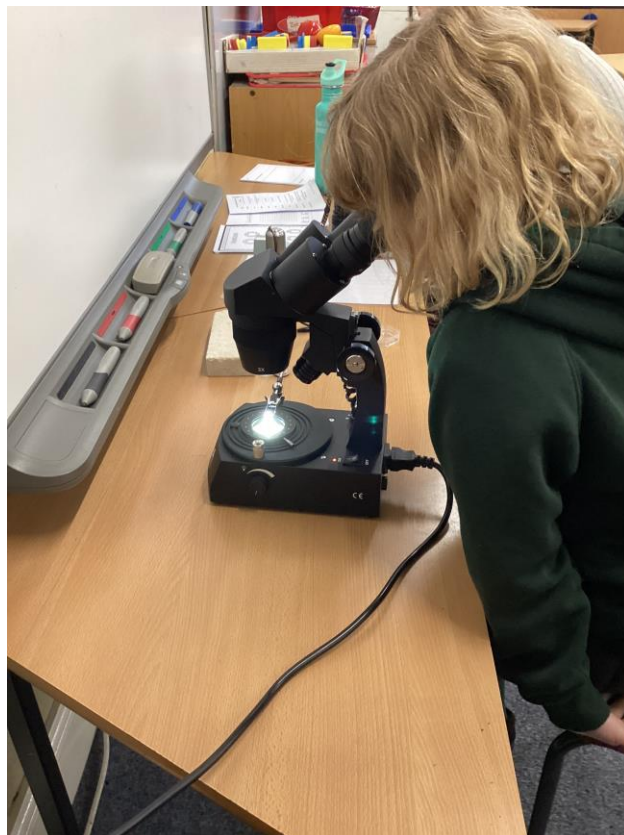

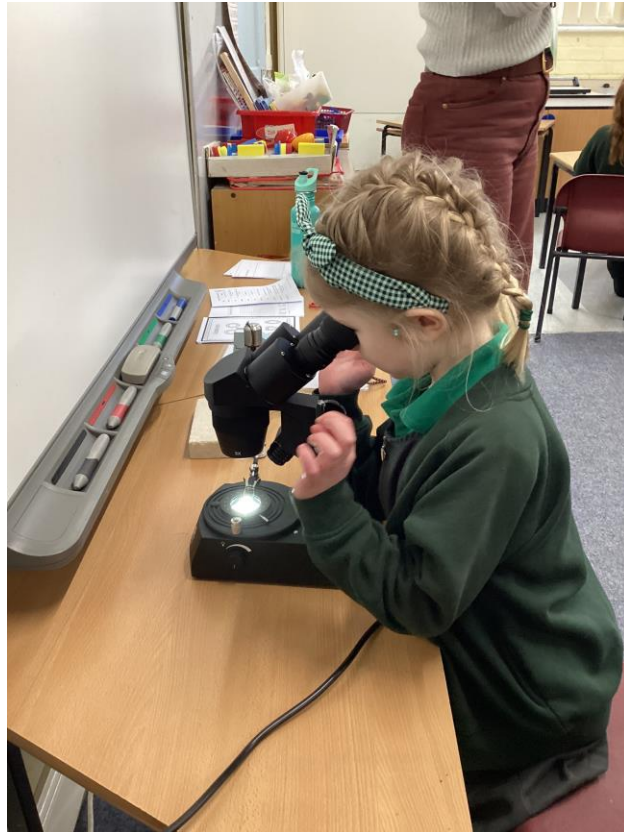

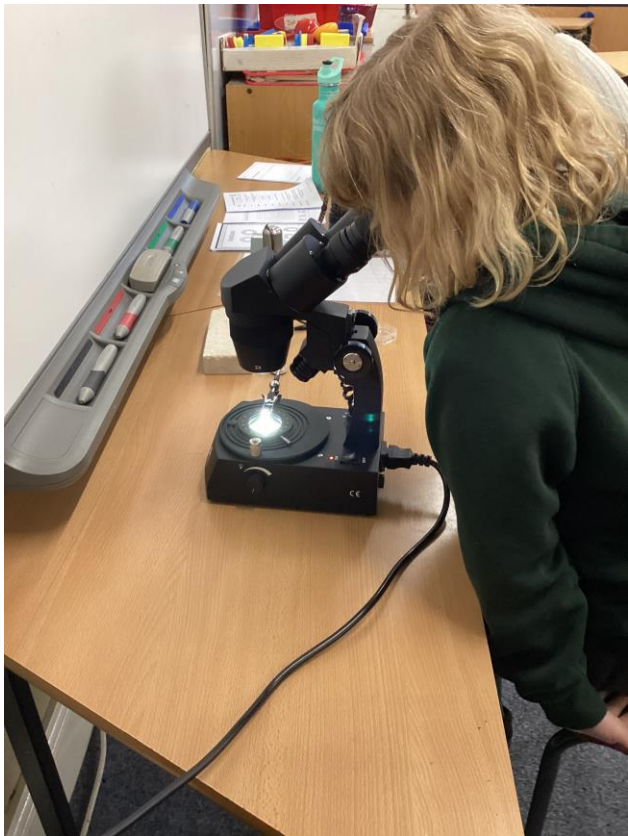

## What a gem!

Sorry Mrs Laughlin couldn't miss an opportunity for a pun! We were lucky enough to be joined by Ms Cudworth (a parent and governor) to learn more about precious stones and gems. The children were able to look at the stones through a microscope and black light to consider their structure and luminosity. Thank you so much Ms Cudworth, our children loved it!

myHappymind

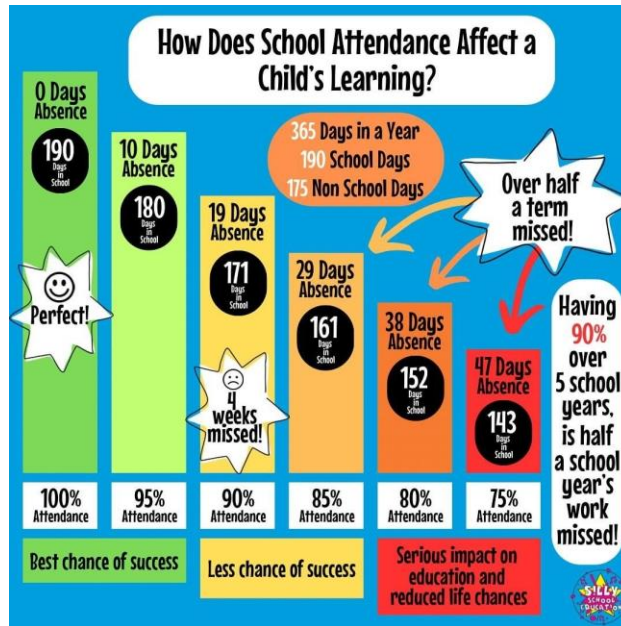

Congratulations to all our pupils for completing our most recent myHappymind topic, Relate. Here they all are receiving their certificates during assembly last week! Please scan the QR on the front door to access the parental app if you want to learn more about what our children are learning in PSHE.

## School Attendance

Current attendance up to 19th April is 90.23%. Attendance for both Willow and Oak Class has been 100% this week - HUGE well done! Every day counts, so keep pushing on and trying to come to school every day.

## Achievement Assembly and Tea & chat

Our next Achievement Assembly with tea & chat will be held on Thursday 25th April - we hope that you can join us! Mrs Laughlin will be available for a chat until 10am if you wish to join her.

## Dates for your Diary
